All I Want for Christmas Is...

My favorite Christmas gifts would be a foosball table, a Playstation 3, a Wii, a PSP, a DSi, a Playstation 2, an Xbox 360, Lego Batman and Lego Star Wars. I want all of these gifts because I listen to my mom.

By: Jandriel Heredia, Grade 2

These are my top 3 favorite Christmas toys, they are: Pokemon tcg cards, Bakugan and Neopets. Pokemon cards are trading card that you can trade for other Pokemon cards. Bakugan are balls that open when they touch metal each pack comes with 3 Bakugan, 3 gate cards and 3 ability cards. Neopets plushies are my most favorite toys they are soft cuddly and popular. They come with a code, which gives you a key quest token and a special item. I think that they are popular because they are rare, hard to find and exciting to collect.

By: Jarod Demille, Grade 5

For Christmas I want Lego Star Wars, a ps2, a ps3, Lego Bat Man, and an Xbox 360. I want them because I am good. I like Legos because they are little and ps2 and ps3 because they are portable. I also like mini motorcycles because they are small, fast and cool.

Club Penguin

By: Mike Rothwell (Grade 4) and Angel Castro (Grade 4)

Do you have a club penguin? If you don't, you might want to log on to www.clubpenguin.com and get one because you can play all these different games like jet pack adventure, go surfing, and the #1 game to get coins is cart surfer which is in the mine. There are a lot more games than that! Hey you can even have pets, which are called puffles, you can feed them, play with them, give them a bath, and make them sleep. We like this website because you can do what ever you want and even make new friends!

BEWARE!!!

By: Jarod Demille, Grade 5

Breaking news!! Please be on the lookout for Granny Hathaway's ghost again! She caused a power outage on Tuesday November 17, 2009. None of us did it, which made it very suspicious. So make sure you are on the lookout for Granny's ghost!

Sports

Cheerleading Tricks

By: Alyssa Beitz, Grade 2

Cheerleading tricks can be hard and easy sometimes, but a lot of them are really hard like: cartwheels with no mats and two flips with one hand. You need to have a good and healthy body when you do cheerleading tricks. Here are some tricks you can learn in cheerleading:

Cartwheels
Backbends
Bridges
Front flips
Back flips

Dancing

By: Frankie Pezzano, Grade 2

Dancing is fun! Do you want to know why dancing is fun? It's fun because I go to hip-hop class and get to learn new moves like the 2-step and drops, and the cobra. The best move is the one handstand.

A Few Tips on What To Do When You Get Bullied

By: Alix Pierre-Toussaint (Grade 3) and Darlin Guzman (Grade 3)

1. You can ignore the bully.
2. Do not let the bully see you cry, get angry, or show that you are upset.
3. If a bully says, "Hey, what a dumb outfit" you say, "I'm glad you noticed."
4. Report a bully to an adult.

Learning About Each Other: Alyssa Beitz (Grade 2) Spends Some Time With Jandriel Heredia (Grade 2)

Jandriel Heredia, Grade 2

Jandriel is my friend and he is nice to me. He is in my grade, grade 2. Jandriel sometimes can get a little overboard! It's funny sometimes but when he does, he gets in trouble! I don't like it when he gets in trouble because he does not get to play with me. His favorite color is light blue and his favorite sport is basketball. He has 2 sisters (one that's on the way!) but no brothers.

My Favorite Subject

By: Leilany Martinez, Grade 2

So I love art. It calms me down so much and I like to do art because I just love it. I like to do self-portraits the most.

Fashion

Fashion!

By: Alyssa Beitz, Grade 2

I like cool things like skinny jeans with a hot pink t-shirt, or a light pink dress with black leggings. Now that is totally hot! Fashion is fun because you can design fashion, and it can take more than 100,000 tries, but fashion is great! Oh how I LOVE fashion, it is so cool!

Things that you can wear in the winter are nice winter coats that not a lot people have and cute snow boots... now that's cool.

Winter Fashion

By: Yolanía Harris-Walker (Grade 3) and Daniely Heredia (Grade 3)

There's all types of cute winter stuff out there like fur boots in all types of colors like pink, black, blue and purple, they are so fabulous! There's also cute hoodies in different colors like orange, black and pink. There are cute pants that are all different colors and some of them even have fur! Now what's not cute to wear is a pink shirt, with blue shoes and green pants.

Oh and don't forget about dresses! There's dresses with many designs like stars. We found all these fabulous fashion finds on www.shopjustice.com.

The computer has a virus. First it had 36 chicken pox, then the computer had 32 chicken pox, then 19 chicken pox, then only 2 chicken pox. It was cured from its virus!

Friendship

An original song written by Soung Issah (Grade 2) and Nyaja Porter (Grade 2)

If you want to know how to get friends
This is how you play
F.R.I.E.N.D.S.H.I.P.
That's how you spell friendship
It will always stay in your heart, in your mind, in
your hears and soul
Hey, you will always have a best friend
Friendship, friendship will always be in your heart
That is friendship
If you have to say good bye,
The close your eyes and say goodbye.

The Diary of a Hathaway Kid

By: Anonymous

November

Sometimes I can get frustrated at school. But I have to get use to it because I don't want to leave this school. There is a lot of good people here. Thank you Hathaway. Also, I've been hearing rumors about Granny Hathaway Del's [Joanne's husband] mom is the Hathaway School ghost. We had a power outage and people think it's Granny Hathaway. I don't believe it because there has to be a logical explanation for all the weird things that have been going on.

Our Trip to the Library. My Reflection...

I saw the books and got a library card. The principal of the library read us a book and the title was "The Library Mouse" by Daniel Kirk. I saw the computers and I saw the shelves of books and they were very tall.

- Julian Stux, Grade 1

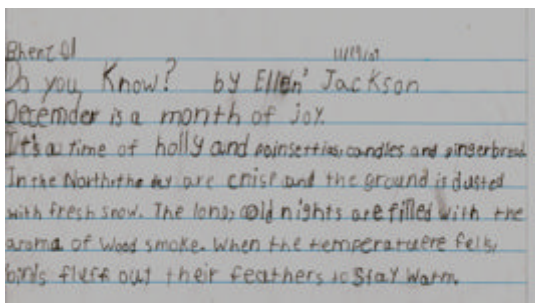

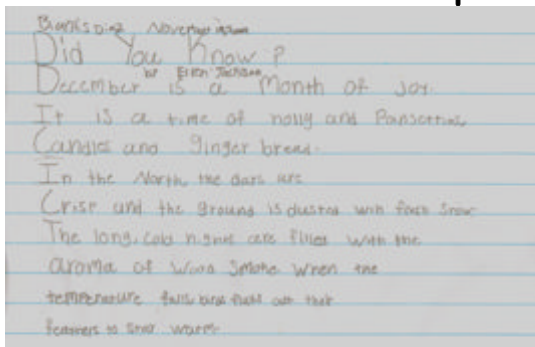

My trip to the library was fun and she read a book to us. I liked the book, it was good. Thanks for taking us to the library Mrs. Downs.

- Lance Williams, Grade 1
