April 2010 – Issue #6

Congratulations to All of Our March Award Winners!

1st Grade Class Senator: Julian Stux

2nd Grade Class Senator: Alyssa Beitz

3rd Grade Class Senator: Laury Martinez

4th Grade Class Senator: Declan Brown

Citizenship: Mike Rothwell (Grade 4)

Jason Tejada (Grade 1)

Nyden Porter (Kindergarten)

Julio Castro (Kindergarten)

Most Improved: Tyjei Dirico van loan (Grade 3)

Joseiris Chiari (Grade 1)

Jeremy Reyes (Kindergarten)

The Principal's Award: Jenessa Rodriguez (Grade 5)

Top Student: Bianlis Diaz (Grade 1)

Kubura Issah (Kindergarten)

Amalia Anderson (Kindergarten)

Teacher's Award: Makayla Ables-McGuinness (Kindergarten)

Reading: Frankie Pezzano (Grade 2)

Writing: Declan Brown (Grade 4)

Science: Kalu Kalu (Grade 5)

Math: Mike Rothwell (Grade 4)

Spanish: Anthony Brown (Grade 5)

Social Studies: Luis Diaz (Grade 2)

Technology: Anthony Brown (5th Grade)

Homework Club: Janet Kalu (Grade 4)

EARTH DAY

Earth Day is a day when everybody tries to help the Earth. This year Earth Day is on April 22. Earth Day was started by a man named Gaylord Nelson. Nelson then headed to Washington DC to talk to President John F. Kennedy about the Earth and what people should do to help it. The President set out on a five-day, 11 state conservation tour to talk about problems but he was not successful. Nelson did not give up and he continued to speak across 25 states about the importance of the environment. He was so successful that Earth Day is now celebrated today. He died on July 3, 2005.

By: Jenessa Rodriguez, Grade 5

DID YOU KNOW TODAY IS NATIONAL....

April						
Sun	Mon	Tues	Wed	Thurs	Fri	Sat
				1 April Fool's Day	2 Children's Book Day	3 Find-a-rainbow Day

25 DNA Day	26 Hug a Friend Day	27 Tell a Story Day	28 Poetry Reading Day	29 National Dance Day	30 Arbor Day	

What would the world be like if no one ever recycled?

The world would be messy and no one would live so that's one way the Earth would be if no one recycled. It would be all stinky and gross so that's another way the Earth would be if no one recycled. There would be no life on Earth if no one recycled, soooo RECYCLE!!

- Isabelle Augustine, Grade 3

If no one in the world ever recycled, there would be litter everywhere, the world would stink and plants would die.

- Roy Kalu, Grade 2

If no one ever recycled, I would, because I love recycling. It is fun an we could make a difference.

-Jandriel Heredia, Grade 2

If no one recycled in the world, the only food you would find would be cockroaches and the world would be a total waste dump and you would probably never see daylight.

- Marquis Draper, Grade 5

What are you Afraid of?

I'm afraid of ghosts and bad guys.

-Daniely Heredia, Grade 3

I'm afraid of electric eels and lions. Eels because they could hurt me and lions because they are meat eaters.

-Roy Kalu, Grade 2

I am afraid of not having parents.

-Marquis Draper, Grade 5

I'm afraid of sharks and spiders.

-Mariely Duran, Grade 2

I'm afraid of my Mom not being there anymore because then there would be no one to take care of me.

-Darlin Guzman, Grade 3

Principal for a Day!... With MY Rules

If I were a principal I would be somewhat strict. One rule would be more recess. Another rule would be more free time and two more rules would be more games and less work.

-Jarod Demille, Grade 5

No hitting, no bad words, no back flips in class, and no standing on desks.

-Brenden Brown, Grade 2

No gum, no running in the hallway, no talking back, and always try your best.

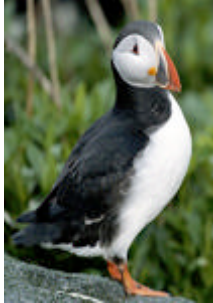

-Laury Martinez, Grade 3

No bullying, no fighting, no being mean and no talking back.

-Yolania Harris-Walker, Grade 3

Awesome animal facts:

The Atlantic Puffin

The Atlantic Puffin can fly in the water, they also hunt under water. They eat things like eels and fish. They are only 10 inches tall.

-Alix Pierre-Toussaint, Grade 3

The Anaconda Snake

The Anaconda Snake weighs 550 pounds! The Anaconda Snake can swallow a whole Jaguar! It is as long as 5 ten-year olds laying down head to toe! Anaconda snakes are related to Constrictors. The female Anacondas are larger than the males.

-Anthony Brown, Grade 5

Learning a Little More About Each Other:

Janet Kalu, Grade 4

Hi, my name is Janet Kalu. I am 9 years old and my birthday is July 20, 2000. I have 5 brothers and I am the only girl. I am proud to be a student of the Hathaway School. My favorite colors are pink and yellow. I am lucky because I have friends like Alyssa, Yolania, Soung and Jenny.

The Wolverine

Wolverines are large, stocky animals that look like small bears, but they are the largest members of the weasel family. Males mark their territories with their scents, but allow several female wolverines to live there. Wolverine require lots of open spaces, so they frequently live in remote boreal forests, taiga and tundra.

-Declan Brown, Grade 4

HONESTY

I think being honest is important because if you are not honest people will not trust you. You may also miss many opportunities if you are not honest. I hear honesty is the best policy and I believe it.

-Anthony Brown, Grade 5

I think it's important to be honest because if you don't, bad things can happen to you.

-Jaeqhan McClain, Grade 4

It is important to be honest because you can get in trouble if you are not honest. If you are honest, you won't get in trouble. Honesty is the best policy.

-Jarod Demille, Grade 5

It's good to be honest because your Mom and Dad would have to come to school and speak to your teachers and tell him or her what happened and you would leave the school and stay home every day.

-Frank Harris-Walker, Grade 5

I Wish there were no more...

I wish there were no more cigarettes because then there would be no more pollution.

-Kalu Kalu, Grade 5

I wish there were no more school because then we would have days off.

-Alyssa Beitz, Grade 2

I wish there were no more bad people because they can hurt people.

-Laury Martinez, Grade 3

Helping Out!

When I help my Mom out around the house, she tells us to do everything like clean our rooms and my brother, he helps clean up after Yolania. We take out the trash, do the dishes, sweep the floor and more stuff.

-Frank Harris-Walker, Grade 5

I am going to tell you 4 things about what I do to help my family. First what I would do to help is wash the dishes more often, I would pick out my clothes before I go to bed, I would clean the bath tub and last but not least I would clean the kitchen.

-Jaeqhan McClain, Grade 4

What I do to help my family is do my chores and sweep up the house.

-Jenessa Rodriguez, Grade 5

Well, I help doing the dishes but then sometimes my Mom yells at me for doing them wrong, then she'll tell me how to do it right. Then I sweep but then my brother says I do it wrong so I tell him to do it.

-Jareth Ovando, Grade 3

If I Could Speak Another Language it would be...

If I could speak another language it would be Spanish because I am part Puerto Rican.

-Jenessa Rodriguez, Grade 5

I would speak Spanish. I would speak Spanish because most people I have seen speak Spanish and it would be fun to speak Spanish.

-Kalu Kalu, Grade 5

If I could speak another language it would be sign language because my Uncle Eric is deaf. It would be really good for me if I were able to talk to him.

-Jaeqhan McClain, Grade 4

Finish the Story!

Story Starter: *While sitting around the campfire, the most amazing thing happened! It all started when...*

My Mom went to get the marshmallows. We were sitting in front of the tent and we heard someone cutting down trees and I got so scared, it was so loud that it sounded like a stomping elephant, but it was Grandpa!

-Soung Issah, Grade 2

There was a ghost! I got so scared. So I ran away and so did my family with nothing. We forgot the tent.

-Alyssa Beitz, Grade 2

Alice was sitting at a campfire seat and she saw a rabbit and she followed it. Then she fell in the rabbit hole. In the hole was a door and when she went in it, it was Wonderland. She met flowers and a caterpillar and she also met a mad hatter and a hare and the queen of hearts and they all played croquet. Then she met a Cheshire cat. Then Alice went to the dungeon because of the Cheshire cat. The queen yelled at the rabbit and chased Alice. Then Alice woke up and realized that it was a dream.

-Tyjei Dirico van loan, Grade 3

“You can catch more flies with honey than with vinegar”... What does this mean to you?

It means that being sweet and gentle can get you more friends than being mean and nasty.

-Jenessa Rodriguez, Grade 5

If you are like honey, people will like you. Honey is sweet. If you are like vinegar, people won't like you. Vinegar is sour.

-Luis Diaz, Grade 2

Honey is sweet and if you are sweet to people you will have more friends, but if you are sour like vinegar, you won't have any friends.

-Nyaja Porter, Grade 2

Check Out What the 1st Grade has Been Up To!

Counting & Easter Fun!

Arianny Burgos
